All accepted papers must be personally presented by at least one of the authors. An author with more than one paper pays the additional paper(s) rate as shown above, unless a co-author has also registered and paid the registration fee. The final paper, completed registration form and FULL PAYMENT with at least one full registration must be received at CCECE office by March 12, 2001, for the paper to be published in the proceedings. The student and life members' registration fees do not include the conference banquet. Refunds are not allowed after the advance registration.
