

**EIC Fellow**

**Zheng Hong Zhu**

**Nominated by the Canadian Society for Mechanical Engineering and IEEE Canada**

Zheng Hong Zhu is a professor at York University. His contribution to engineering has been recognized by the following awards: AIAA Associate Fellow, CANSAM 2013 Best Paper, NSERC Discovery Accelerator and York University Excellence in Teaching.

For his contributions to dynamics and control of tethered spacecraft systems and engineering mechanics, we are pleased to honor this talented and dedicated engineer.

Ladies & gentlemen and Mr. President, please welcome Zheng Hong Zhu as a Fellow of the Engineering Institute of Canada.
