

## Program for Multigeneration Workshop

Friday 2018-Sep-14  
 Hilton Mississauga/Meadowvale Hotel  
 6750 Mississauga Road, Mississauga, Ontario, L5N 2L3, Canada  
**Room: Club Studio 1** (Lower Level)

2018-Sep-14

This workshop, put on by Life Members, brings together a cadre of volunteer leaders of Region 7 who are involved in the activities of the Member Services Group consisting of History Committee, Life Members, Student Activities, Women in Engineering and Young Professionals.

Participants: Delegates from Students, Young Professionals, and Women in Engineering. IEEE Canada Executive Committee.

With the broad range of experience of the participants in many areas, the workshop is expected to offer a forum to articulate how to deal with identified issues of interest covering a balance between volunteerism, professional work and learning, as well as personal issues. The expectation is that you, the participants, will enhance your skill sets in areas related to volunteerism for the IEEE, professional aspects and personal life. Summaries and records of the meeting will be made available at the conclusion of the sessions.

This workshop is held ahead of the WIE Summit , Young Professionals Congress and Student Congress planned for 2018-Sep-15,16.
